

Pance Jovanov

Senior Software Developer

Address: Fevruarski Pohod 8/13 Skopje, Macedonia • **Cell:** +389 70 639 178 • **Web:** <http://www.brinaux.com> • **E-mail:** pance.jovanov@brinaux.com • **LinkedIn** • **Skype:** pance.j

PROFILE

11+ years professional experience working with Social networks, Banks and Microfinance Institutions. Extensive experience in developing projects with different roles, Business Consultant, Project Leader and Project Developer. Experienced at defining the development model for new projects and features, while suggesting and implementing improvements on existing ones. From DB structure, DB modeling and programming and optimization, I also have experience in planning and delivering end-user training before software roll-out. Short learning curve to adopt and develop in any new technology. I was mainly working on .net platforms (C#, ASP, VB...) and SQL but in the last 4 years I am working on other technologies like JavaScript, JQuery, WebRTC, SignalR, Azure Cloud... and also mobile development
